REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors DMG Securities, Inc.

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of DMG Securities, Inc. (the "Company") as of December 31, 2019, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of the Company as of December 31, 2019 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Famille : Congress

We have served as the Company's auditor since 2000 Abington, Pennsylvania February 20, 2020

The accompanying notes are an integral part of this financial statement.

1. Organization

DMG Securities, Inc. ("the Company") is a registered broker dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is incorporated under the laws of the state of Delaware. The Company, like other broker dealers, is directly affected by general economic and market conditions, including fluctuations in volume and price level of securities, changes in interest rates and securities brokerage services, all of which have an impact on the Company's liquidity.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Company:

Revenue – Securities transactions (and related commission revenue and expense, if applicable) are recorded on a settlement date basis, generally the third business day following the transaction date. This is not materially different from trade date.

Income taxes – No provision has been made for income taxes since the Company has elected to be taxed under the provision of Subchapter S of the Internal Revenue Code and similar state provisions. The Company is not taxed at the entity level.

The Company recognizes and discloses uncertain tax positions in accordance with accounting principles generally accepted in the United States of America (GAAP). As of, and during the year ended December 31, 2019 the Company did not have liability for unrecognized tax benefits. The Company is no longer subject to examination by federal and state taxing authorities prior to 2016.

Concentration of credit risk – The Company maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk related to cash.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates and assumptions.

Subsequent events - Management has evaluated the impact of all subsequent events through February 20, 2020 the date the financial statements were issued and has determined that there were no subsequent events requiring disclosure in these financial statements.

3. Deposit with and Payable to Clearing Broker

The Company maintains a clearing agreement with National Financial Services, LLC ("NFS"). Under the agreement the Company maintains a clearing deposit of \$15,000.

4. Computation for Determination of Reserve Requirements

The Company will operate in accordance with the exemptive provisions of paragraph (k)(2)(ii) of SEC Rule 15c3-3. All customer transactions are cleared through NFS.

5. Net Capital Requirements

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2019 the Company had net capital and capital requirements of \$139,022 which was \$89,022 in excess of its required net capital of \$50,000. The Company's net capital ratio was 1.25 to 1.

6. Operating Leases

The Company leases its office space under a lease which is cancelable with sixty days written notice after the first anniversary of the lease. The lease commenced February 1, 2012 and terminates January 31, 2022. The current monthly rental is \$4,915. The monthly rental is subject to a three percent annual increase. After the first anniversary the Company's future minimum lease payment is two month's rent. Rent expense totaled \$68,471 for the year ended December 31, 2019. The Company also leases storage space on a month to month basis. The rent expense for such space was \$3,808 for the year ended December 31, 2019.

7. Concentrations of Credit Risk

The Company is engaged in brokerage activities in which counterparties primarily include other broker dealers. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the financial product.
